ABOUT LUMINA

Lumina® is FDC's National Graphic Products Brand, offering more choices based on a proven range of sign, digital and heat transfer films, with price and performance competitive with the leading brands. Plus, Lumina is backed by the Service Advantages of FDC Graphic Films, Inc.

LUMINA SIGN	LUMINA DIGITAL
Lumina's complete Sign Vinyl product line features a wide array of colors and sizes for sign and vehicle applications. Our product reliability has been proven for three decades.	The Lumina Digital product line has your wide format printing needs covered. FDC offers a complete selection of Lumina brand banner, overlaminates, digital media and window films.
LUMINA HEAT TRANSFER (HTV)	LUMINA CRAFT
Lumina's Heat Transfer Films for textiles and apparel markings represent the most popular choices available. HTV Films are offered in a range of opaque, fluorescent, patterned films plus digital print media.	Lumina colored film products are available in custom-sized sheets and small rolls.

ABOUT FDC

FDC is a Master Distributor and Converter. We source the top performing products from leading manufacturers and offer the right products in the sizes that are needed with on time, complete and error free shipments. Since 1988, FDC has been the Graphics Industry's premier service provider. Customers *Count On Us* to get it right, every time, one order at a time.

FDC Graphic Films, Inc.

COUNT ON US

About

FDC Graphic Films, Inc. is a trusted supplier of branded products for the Sign, Graphics, Craft and Apparel industries. The company is a Master Distributor, Converter and leading service provider of graphic film products sold through distribution.

Product Selection

FDC offers thousands of sizes and colors from a broad range of products and trusted brands, such as Lumina® By FDC, 3M, RTape and ASLAN specialty films. We make more products available from a single source than anyone else. Our selection includes wide format digital media and laminates, banner, sign films, application tapes and heat transfer vinyl. An extensive size offering, custom converting and large inventories make getting just the product you need easy. Our selection tools are convenient to use and utilizing real film swatches ensures customers get the right color for the job.

Great Locations

FDC ships from warehouses in South Bend, Indiana and Reno, Nevada. Together the two locations facilitate delivery to over 40 states and parts of Canada, with arrival in two days or less. Combine that with our quick shipment capabilities and FDC offers some of the shortest order to delivery times in the graphics business.

On-Time, Complete, Error-Free

For over 30 years FDC has been all about Service, Selection and Reliability. We built our reputation on it! Customers have grown to depend on the ready availability of thousands of products, many that ship on time, complete without errors, and with high fill rates in excess of 96%. Our customer promise is that you can always *Count on Us* to provide a wide-selection of top-quality products and trusted brands that are consistently delivered "On-Time, Complete and Error-Free."

FDC GRAPHIC FILMS, INC.

3820 William Richardson Drive, South Bend, IN 46628
Tel: 800.634.7523 | e: fdcfilms@fdcfilms.com
www.fdcfilms.com

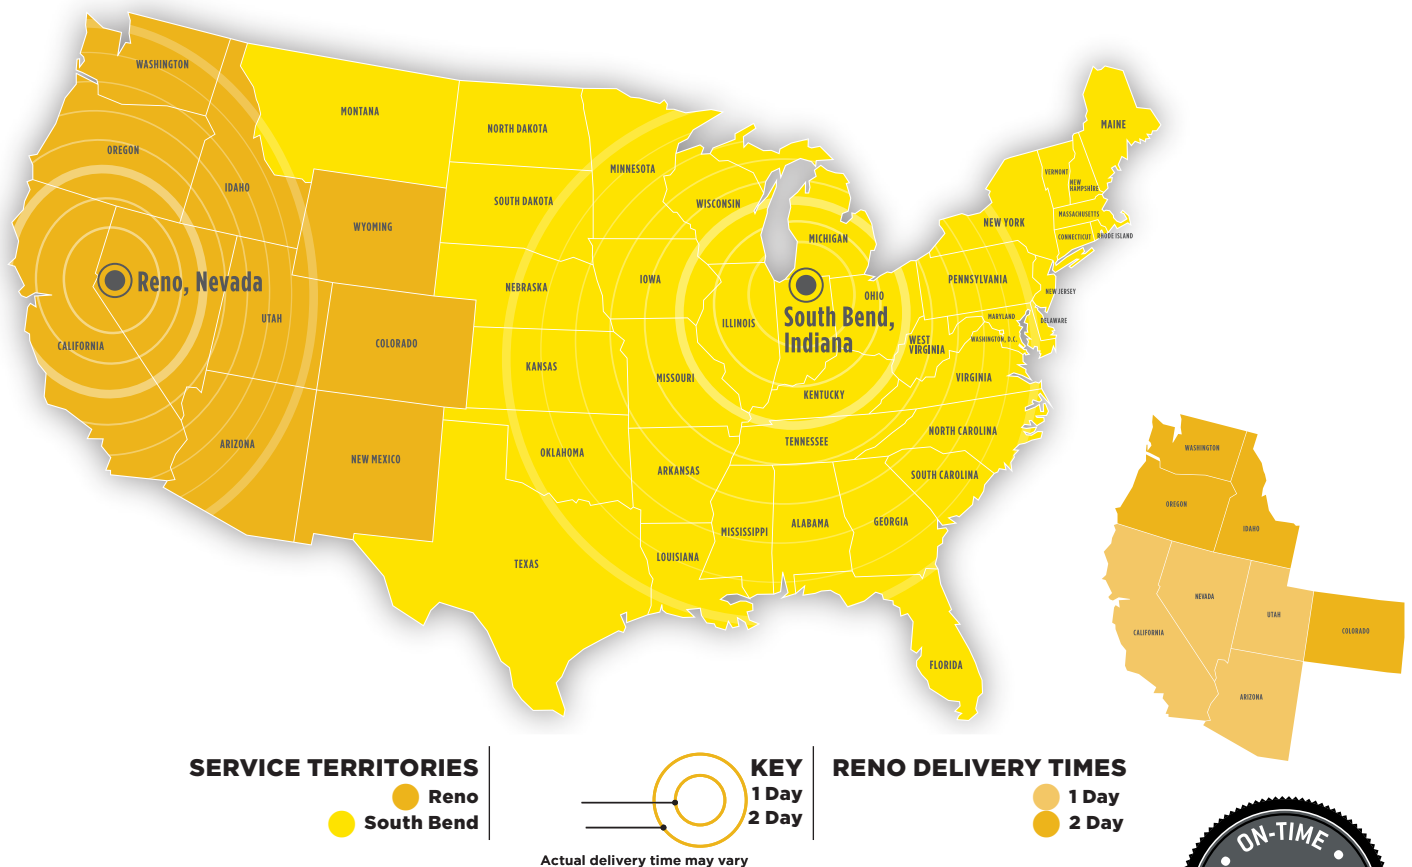

On-Time, Complete and Error-Free

FDC reaches 40 states and parts of Canada in two days or less with shipments from our two warehouses in South Bend, Indiana and Reno, Nevada. The addition of the Reno facility dramatically improves service to the West, reaching the 10 Western-most states in one or two days. Delivery to these states was typically four to six days previously.

Intensely managing the order to delivery process means that distributors get what they want, when they want. FDC measures reliability using a challenging performance standard called On-Time, Complete and Error-Free. This measure combines the three most important reliability factors into a single standard which FDC consistently scores at 96% or better.

Short order to shipment times, including same day shipping from both locations, conveniently located warehouses and aggressive carrier management makes FDC a great supplier of choice.

You can Count On Us every day to get it right, one order at a time.

"We leverage our warehouse locations and carrier selections to deliver quickly and on time."

0000-0000-000

THE FIRST FOUR DIGITS

in our part numbers identify the series of product and determine the converting process. Increasing the non-perforated product number by 50 identifies most Perforated products.

THE SECOND FOUR DIGITS

identify the material converted size. The first two digits indicate the width and the last two digits indicate the length.

THE FINAL THREE DIGITS

identify the color and all colors contain three digits.

<div>4200</div> <div>Non-perforated 2.8 ml Calendered</div>	-	<div>1515</div> <div>Width = 15" Length = 150' (50 yds.) (The 0 in 150 is hidden)</div>	-	<div>014</div> <div>Color 014 (Tomato Red)</div>
<div>4250</div> <div>Perforated 2.8 ml Calendered</div>	-	<div>3003</div> <div>Width = 30" Length = 30' (10 yds.) (The 0 in 30 is hidden)</div>	-	<div>003</div> <div>Color 012 (Gloss Black)</div>

Notes: Standard punch is slot pattern. IBM, Gerber and 3-hole punch patterns are available.

Need a sample?

FDC Graphic Films, Inc. has a full sample program for color matching and testing product out before you buy, and it is simple to use!

► If you are a distributor:

Contact FDC and request a sample. FDC will deliver the sample to you or drop ship the sample order directly to your customer at no charge.

► Not a distributor?

Contact your local FDC distributor and request a sample! Don't know of any distributors? Check out our Distributor Locator online at fdcfilms.com, or call us at 800-634-7523.

Once you find a distributor, they will place an order with FDC, and we can ship your sample directly to you!
