

New Media for Unique Applications

There is a wide variety of unique media available to run in your inkjet printer. Not only will you be able to **increase business** with new applications, but these media can be a foundation of effective **marketing** campaigns. There is no substitute for **showing** people new media and the products they produce, so please do not hesitate to request **samples** from us of some of our most exciting new offerings below:

Generations Alise - replaces Hahnemuhle

These 100% cotton new fine art papers from Premiere feature **new generation coatings** that are unmatched. They are a perfect replacement for Hahnemuhle Photo Rag without the dust and inconsistent older coatings. You also get **better image quality**, better color, and **blacker blacks**. Available in 260gm and 310gm in Bright White or Natural. Let us know if you want **samples**. Check out all the available sizes at: www.jvhtech.com/JVH_Info/PremierImaging%20Price%20List.pdf

Premier Smooth replaces Epson UltraSmooth

These are the **same** outstanding fine art papers as the Epson UltraSmooth Fine Art plus, they are available in a much wider variety of sizes and thicknesses, as well as both Bright White and Natural. The thick, rigid 500gm versions come in a variety of sizes and are perfect for **portfolios**. See all your choices at the above same link.

Great new Inkjet Cloth available

Most cloths available up until now have generally sucked in terms of image quality. This low-priced new polyester cloth has **outstanding** image quality plus:

- ◆ Does not rip or wrinkle
- ◆ Water-resistant
- ◆ Matte/no glare for high quality look and feel
- ◆ Illuminates nicely with back lighting
- ◆ Inkjet image dries immediately
- ◆ Works with all aqueous inks

Applications include:

- ◆ Indoor/Outdoor Hanging Flags
- ◆ Maps
- ◆ Decorative POS & POP Displays
- ◆ Roll-up Banners
- ◆ Soft Signage
- ◆ Travel easy-fold presentations

Metallic Photo

These papers are creating quite a stir out there - one more way of being **unique** in your markets. We're getting some samples in soon.

JVH Digital Print Contest Winners

The 7th annual JVH Epson Print Contest had a diverse variety of intriguing prints. We appreciate everyone's fine work and contribution to the event. On December 25, you can look at the winning prints at www.jvhtech.com as well as previous year's images. Congratulations to the winners:
