Next Generation Epson Printers

7900 and 9900 - Epson tells us it will start shipping the new line of 24" & 44" printers in Jan 2009. We will be showing them at the Digital Festival in Bellevue, WA on **Nov 21**. The 24"-7900 is priced at \$3,995 and the 44"-9900 is \$5,995. Detailed specs are at: http://jvhtech.com/whats_new.php

We are currently accepting preorders for the new printers. Let us know if you want one of these puppies. Note that the current economically priced Epson 7880/9880 printers will **continue** to be offered.

GS6000 64"-wide Solvent Printer - This exciting new printer is shipping in October. We should have one on display at the Nov 21 Festival. The ink costs **50% less** and the media is about **1/10** the cost of standard aqueous-based coated media. Plus, the prints are good for **two years** outdoors **without** lamination.

The all-new Epson Stylus Pro GS6000 is the **fastest** 64-inch wide roll-to-roll printer in its class and has by far, the best **photographic image quality**. We are beginning to take orders. Let us know if you want us to pencil you in for one, or send you info.

New MyEpsonPrinter.com Web Site

This site gives Epson StylusPro owners a powerful on-line management tool. You can automatically track consumable usage/cost-per-print, print job reports, access firmware/driver info, and check warranty info plus much more. While in public beta, it is a **free** service to all owners of a 4880, 7880, 9880, 11880, or GS6000 printer. Check out the details on page 60-66 of the PDF called "7900/9900 detailed specifications" on http://jvhtech.com/whats_new.php

ColorByte releases ImagePrint 7.0.2

This is a free upgrade to all Version 7 users. This update includes new features, new print technology and new printer support. The update uses Dynamic Contrast Matching and dramatically improves color and black & white printed images. To upgrade, please contact JVH or visit the download site at www.colorbytesoftware.com/update.htm

Pacific NW Color Management User Group

See how REI went from no color management to bringing all of it in-house.

When: Tuesday, Sept 23 @ 7:00pm

Where: Adobe Fremont Campus in Seattle
A bulletin is attached for your reference.

Pacific NW PMA Photo Event - October 10-11

This excellent annual event is at the Hilton Seattle Airport and everyone is welcome to attend. Will Crockett will present: **Shoot Smarter - Building the Most Efficient Pathway From Click to Print**. For all the info, check http://www.pmai.org/index.cfm/ci_id/26796/la_id/1.htm

HP Z-Series DesignJet Trade-Up Promotion

Through **October 15**, HP makes it easy to upgrade to new technology. When you trade in an old large-format printer, plotter or vinyl cutter of any brand, you can get up to **\$2,000** cash back when you purchase an HP DesignJet Z3100, up to **\$3,000** on a Z6100. Plus, HP pays for the return shipping of your trade-in product! For details, jump on http://www.hp.com/united-states/designjet/promo_sp08/landing.html
