Digital Festival in Bellevue WA, Jan 30-31, 2006

This is the only Digital Festival to be held this year. Still not too late to RSVP! Just email us at jvhman@aol.com or call Kathy, Ryan, or John at tel 425.643.7323

Art Wolfe, the world-renown landscape and nature photography will be headlining the guest speakers at the upcoming JVH Festival at the Embassy Suites in Bellevue. What an opportunity to learn from the best.

Epson will discuss digital fine art printing, as well as provide a technical overview of Epson inks and papers. The new Epson **Gemini 3 digital portrait printing system** will be introduced. We will also have other experts and gurus from **Imacon**, **ColorByte**, **ColorBurst**, **Onyx**, **Seal**, and **Fo2PiX**. Learn about high-end scanning, color management, print finishing, and marketing strategies. It's **free** and educational.

Also at the Festival on Monday, January 30, we will be holding the **2nd Annual JVH Epson Digital Print Contest**. We would like to show off more of our customers' terrific digital artwork and intriguing photography. This time, we are having **categories**, including fine art, landscape/nature, and people/portrait. Contest rules and details are posted on www.jvhtech.com

Art Wolfe announces the Environmental Photography Invitational for 2006

The Environmental Photography Invitational, or EPI, is a regional photography competition open only to photographers residing in the western states including Alaska and BC. EPI is an event for the advancement of photography as a unique medium for bringing awareness and preservation to our **environment** through art.

A premier photography event, the annual juried competition will, along with awarding cash and merchandise, lead to a six week gallery show. Photographer and creator of EPI, **Art Wolfe**, will host the print exhibit in his newly renovated state-of-the-art gallery space in Seattle. Entries will be accepted between February 1st and March 14th, 2006. Check www.epininvitational.com for more info.
