## PacificNW PMA Photo Event, October 11-13

The local chapter of the PMA has an excellent upcoming event which you may want to attend. This is a "hands on" show with a venue designed to help you in **growing your business** for the year to come. The two-day meeting schedule starts with an opening reception "NW Wine Tasting" on Thursday evening. Friday is "Adobe U" offering a choice of two programs taught by Adobe evangelists. Saturday includes **business** sessions, **imaging** sessions and vendor table top **trade show** with prize drawings.

In addition to the full day at Adobe's Seattle Campus, there are **live demos** from Lucidiom, Fuji-Xerox, Kodak's new s1220 scanner, Epson's 3800 printer and Imacon's industry best virtual drum scanners. Attendees can bring negs, transparencies, pictures and digital files to test out.

The meeting brochure and **registration form** is at [www.jvhtech.com/JVH\\_Info/PacNW%20PMA%20Photo%20Meeting\\_Oct11-13.pdf](http://www.jvhtech.com/JVH_Info/PacNW%20PMA%20Photo%20Meeting_Oct11-13.pdf) If you are from out of town and wish to make a room reservation at the Crowne Plaza, you will want to call the number listed on the event brochure. The hotel has offered special room rates through **October 5**. (mention **JVH** on the registration form and you will still get the early bird registration.)

Evenings will be a time for you to enjoy the best of the Northwest. Thursday night's wine tasting, sponsored by Kodak, will feature 15 wines including Rieslings, Pinot Grigios, Chardonnays, Pinot Noirs, Merlots and Cabernets. Friday's dinner hosted by Hewlett-Packard will be held la-fresco in a small park adjacent to our hotel. And what would a visit be to the Emerald City be without a Basil Lemon Drop Martini?

Lots of reasons for you to attend. Don't miss this opportunity.

## Epson Premium Semimatte 260 now available

The new Epson media is now in stock at JVH in Bellevue. It is available in 16", 24", 36", and 44" x 100' rolls. The new Premium Semimatte 260 Photo Paper is slightly thicker and very similar to the original paper.

## Digital Festival in Bellevue, WA on Nov 15

Learn about large-format digital printing, RIP/printing software, Photoshop, color management, profiles, high-end scanning, print finishing, and marketing strategies. We've also been asked to present how to **enhance customer service and increase your business** by positioning your company and products. See the latest large-format digital printers from **Epson** and soak up the latest info from **Imacon, ColorByte, Onyx, Seal, Microsoft, Adobe, and Océ**.

It's not too early to make some plans. Mark your calendar for **Thursday, Nov 15**. The Festival is **educational, fun, and free**. OK to RSVP any time - just call Kathy, Ryan, or John at 425.643.7323 or email us. Complete information on the Digital Festival is on [www.jvhtech.com](http://www.jvhtech.com)

## Digital Print Contest Contest on Nov 15

At the Festival above, we will also be holding the 4th Annual Epson Digital Print Contest. This enjoyable all-comers-welcome event will show off many of our customers' intriguing photography and artwork. The contest rules are posted on [www.jvhtech.com](http://www.jvhtech.com) Please give us a call if you have any questions about the Contest.

## Canon introduces new 24"-wide photo Printer

The brand new Canon ipF6100 looks good. (JVH represents the "big three" of large-format printers - Canon, HP, and Epson.) Please contact us if you want more information. Features includes:
